### **Do you want a new ending this year? How do you want the ending of your life?**

1. **If you're not a Christian, please know that this could be the best New Year of your life. Your life can be filled with hope and peace. To know what the ending will be is an extra bonus. Why should every year be the same as the one before with nothing really changing? After all, the New Year resolutions may or may not get accomplished.**
2. **If you are a Christian and you feel stagnate in your relationship with the Lord, then now is the time to rekindle the love affair with Him. He calls us to Himself and says, "Come away my beloved." Can you hear Him? He is tugging at your heart. The real ending in our life will be when Jesus says well done my good and faithful servant. That statement will be for someone who took the time to get to know Him, love Him, and that obediently followed Him**
